CAPEU
Consortium of Asia-Pacific Education Universities

University of Business and Science

The University of Business and Science (UBS), Tashkent, Uzbekistan, conducted an official visit to the Consortium of Asia-Pacific Education Universities (CAPEU) Headquarters on 12 December 2025 to explore potential collaboration and to express its interest in becoming a CAPEU member in the near future. The visit marked an important step towards strengthening institutional linkages between Central Asia and the Asia-Pacific higher education network.

During the engagement, discussions focused on possible areas of cooperation, including academic and student mobility, joint research initiatives, collaborative programmes, and participation in CAPEU-led activities and platforms. CAPEU shared its mission, strategic priorities, and ongoing initiatives aimed at promoting internationalisation, capacity building, and knowledge exchange among member universities.

In conjunction with the visit to CAPEU, the UBS delegation also met with the management of Universiti Pendidikan Sultan Idris (UPSI) to deliberate on various collaboration opportunities. The discussions covered potential partnerships in teaching and learning, joint conferences and publications, staff and student exchanges, and other mutually beneficial academic initiatives. The visit concluded with a positive outlook and mutual commitment to further engagement, paving the way for future collaboration and strengthened international cooperation.

Congratulations

on your appointment as the Vice Chancellor of Universiti Utara Malaysia (UUM).

Prof. Dr. Ahmad Martadha Mohamed

Best wishes from

President, Board of Directors,
